

the Hunt for Highlands History

You are invited to take on the challenge of answering the following questions from audio stories that are available at each of the named sites. Make sure to use the map for the Historic Buildings Tour to guide you to each site.

1. (Old Hudson Library) - Who were the sisters who served as librarians and walked over 2 miles to get to work each day?

2. (Elizabeth Wright Prince House) - What is the first name of the girl who lived in the house whose father died from typhoid fever after she was born?

3. (Bug Hill Tent Cottage) - What is the name of the disease that caused most of the patients to live in cottages like this one?

4. (First and Second School Sites) - What was Ethel Calloway's favorite grade to teach?

5. (Bascom's Hardware Store) - How old was Mr. Bascom when he died?

6. (Cleaveland's Grocery Store and Home) - What did Mr. Cleaveland collect that he often took in exchange for groceries from his store?

7. (Boynton-Norton Home) - What rare plant did son, Frank Norton, rediscover in Highlands?

8. (Helen's Barn) - What happened to the first Helen's Barn in 1934?

9. (Highlands Methodist Church) - What year was the new building that was designed by Upton C. Ewing built?

10. (Bill's Soda Shop) - Who had the cafe next door to the soda shop until it closed in 1945?

11. (The Rock Store) - What did Mr. Davis like to give children from a barrel in his store?

12. (Central House) - Whose corpse was laid out in front of the Central House during the 1885 Moccasin War?

13. (First Presbyterian Church) - How much does the bell in the church belfry weigh?

14. (Kelsey-Harbison Homesite) - What is all that is left of the homesite?

15. (Reinke Home) - What is the type of tree of record height that grows in front and back of the cabin?

16. (Episcopal Church) - What President was once a guest at a wedding in the chapel?

17. (Highlands House/Inn) - What was the name of the hotel owner who loved popcorn?
